**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would like to voice my option to choose a competitive internet provider.

I'm saying NO to price hikes and believe that broadband is critical to my home. I enjoy the local service that Sonic.net provides me and have been happy with their service and do not wish to see it changed. I like being able to reach a local representative for service questions.

Even though Sonic uses my land line for telephone service, I have not had any problems like I did when AT&T was in charge. I like the service I receive from Sonic and want to keep it that way.
